I am desperately trying to find copies of the Gene Wolfe series THE *The Book of the New Sun*. I have tried both University libraries, the Public Library system and have called all the second hand book stores in town. The Public Library has *The Shadow the Torturer* and *Soldier of the Mist* but not the two middle ones. The books are apparently not out of print but are in back order so could be going out of print soon. Does anyone have any suggestions as to where I could look?

The Pocket Books editions of the four volumes of The Book of the New Sun - THE SHADOW OF THE TORTURER, THE CLAW OF THE CONCILIATOR, THE SWORD OF THE LICTOR, and THE CITADEL OF THE AUTARCH - are out of print. SOLDIER OF THE MIST isn't part of the Book of the New Sun, or even related to the series.

In October and November, the Book of the New Sun will return to print in North America in two trade paperback omnibus volumes from Orb: SHADOW AND CLAW (ISBN 0-312-89017-6) and SWORD AND CITADEL (ISBN 0-312-89018-6).
