Okay. I've been waiting with bated breath for the TOR/Orb re-issues of Gene Wolfe's Book of the New Sun series. According to the B.Dalton 'zine, the first of two omnibus volumes, _Shadow & Claw_ (containing _The Shadow of the Torturer_ and _The Claw of the Conciliator_) should have been in the stores mid-September. I've been looking and looking, but I haven't seen it in any bookstore in Chicago. So what is going on here? Am I going to the wrong bookstores? I'd have thought that The Stars Our Destination would have it, if any place did. Has anybody seen this book on sale, or know why it isn't?
