Does anyone know the status of The Book of the New Sun re-release?

The four books of the original tetralogy are being released as two Orb trade editions called _Shadow & Claw_ and _Sword & Citadel_. I have the first of those (ISBN 0-312-89017-6); I don't know if the second is available yet.

It's a nice-looking book, BTW; one of those "thick `n slick" covers, acid-free paper, and a good job of font selection and layout, as far as my relative ignorance about these things can tell. It was \$15, which is not a bad deal when your run-of-the-mill (sorry about the pun) mass-market paperback can cost \$6 or more.

All four books of the new sun have been rereleased (and are available by now) in two Orb omnibus trade paperback editions:

Wolfe, Gene Shadow and Claw ISBN 0312890176
Wolfe, Gene Sword and Citadel ISBN 0312890184
Both are \$14.95.
