Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Does anyone know if a paperback (trade or otherwise) exists of this book.

I'd dearly love to get hold of a copy, but have had no luck at all over here. British bookstores tend to say if it's not on their lists then they can't get it!.

Thanks in advance for your help.
