Hello,

I'm interested in obtaining Wolfe's "Castle of the Otter" at a reasonable price (i.e., not a collector's edition). Does anyone know if it ever came out in paperback, or was ever offered by the Science Fiction Book Club? (If the latter, do you have the order number? I wrote them about this, but received no response.) Finally, who put out the regular hardcover edition? Any help will be appreciated! Thanks.

No, it hasn't.

Yes, it was offered by the SFBC, but I don't have the order number.

Mark Zeising, a dealer in Willimantic, Connecticut. It was a small press, limited edition publication, since sold out. Zeising was also the original publisher of two other Gene Wolfe books, THE WOLFE ARCHIPELAGO and LIVE, FREE, LIVE.
