Some Gene Wolfe news from the latest Locus:

URTH OF THE NEW SUN has been turned in to the publisher (Tor)!

Contracts with Tor for two new books have been signed. One is called THERE ARE DOORS, and is about "a department store clerk who falls in love with a goddess from an alternate universe." The other has a working title of SOLDIER OF ARETE, and is the sequel to SOLDIER OF THE MIST.

Can anyone tell me how long it "typically" takes to go from turning in a book, to when it is available?
