Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Iain Jameson — 05 Jun 1991, 07:39

Most horrible Gene Wolfe book: There are Doors. This would have to be the most boring book I have ever read. It is the only book I have never been able to finish.

Quite a disappointment after devouring the torturer series, the dying Earth series and the devil in the forest (or something like that).

Has anyone read it, and understand what was going on?

Iain
