Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Fellow sufferers--

I've sent mail to "Internet Megantic", telling how to unsubscribe. Let's hope that stops the mass posting of mass quotes.

Given that directions on unsubscribing are posted at the foot of every digest, arrgghh, words fail me.

Ok, back to the fun stuff: loDD, if a prison has vast grey walls, I think of shrouds and shells. Is this just another story about a dead person inside his own corpse?
