<Isn't it only Baldanders who says they have short lives?>

In the tenth year of his autarchy, in the chapter called "Ressurrection," Severian writes, "old, twisted Father Inire, alive so long beyond the span of his short-lived kind." After ten years of working with Inire and the noble Hierodules O,B&F, I'm sure Severian knew what he was talking about, and that the Hierodules truly live merely a score of years.
