And now for something completely different.

The 1998 World Fantasy Convention (Oct 29 to Nov 1) is to be held in Monterey, California. At the convention center next to the Marriott and Double Tree hotels. Web site:

Gene Wolfe is going (as you know because Robert Borski reported it here). I've made my hotel reservations and sent in my check for membership--I'm going. I trust that Patrick O'Leary is going, and I look forward to seeing him there as well as anybody else from around here.

Just an announcement. That is all.
