I spoke with LF, the crazed headhunter, basically thanking her for her time and saying indirectly that I fucked up and I should take the damn job, she's looking into that possibility.

Anyway, she said that even though she represents sterling, she can help you if you call her first. Give her a call. Janice Stevens 846-0926 the company is michael thomas inc. She's pretty damn good at finding jobs in this town.

I played real hardball with salary and vacation time and if I still can get this job it will pay off. If I can't get it, well it showed I could. Fuck you if that doesn't make sense.

sock it...to me?

Wow...I'm tempted to analyze the Christian symbolism in that post...oh wait, that was an accident wasn't it :)

Anyway, I'm back. I haven't posted here for quite a while. My Sacred Window has been silent for

some time. Windows had went Mainframe, but due to the kindness of the Outsider, it speaks to me once again :)
