Kieran Mullen,

Re: science and pseudo-science. Okay, fair enough.

Now then, do you yourself use the same exact role in the science classroom as an instructor as you do in the pub with a bunch of non-scientist drinking buddies?

And this place where we are right now, do you perceive it as being closer to a classroom or a pub?

In any event, I'm eager (as ever, if not moreso) to see your impressions of Wolfe texts.
