This message was right next to the Urth digest in my email in-box this AM. More proof that the Hierodules control the internet (e.g. the Starr report)...

Bozosity Of The Day <<<

Daily proof that there is no shortage of bozosity when it comes to expert pontifications. From garage.com:

"I am tired of this thing called science.... We have spent millions in that sort of thing for the last few years, and it is time it should be stopped."
