Re: pestering Steve Jackson himself (that is, don't bother trying to contact the last "GURPS New Sun" project editor, Scott Harding, since it turns out this long serving lietenant was given the axe last summer . . . part of the [almost regular, bi-annual] purge, but this particular downsizing also saw the laying off of a woman who was out on maternity leave . . . now =that= smells like team spirit . . .). It might work, I don't know--Wombat has a better sense of this, I'm sure.

If you mean Scott >Haring<, he's back as editor of Pyramid.
