Has anyone heard the Wolfe audio tapes? Can you recommend them?

Kieran Mullen

Kieran, I have a copy of Wolfe reading 'A Solar Labyrinth' and 'the Island of Dr. Death and Other Stories'. They are pleasant to listen to, though he is a sonorous reader. I have never heard his interviews on tape or 'The Soldier of the Mist' on tape. I would really like to find the 'Soldier' stories to listen to.

In a barely related story, about a week ago I went to a local bookstore to hear Neil Gaiman read from his new book, 'Stardust'. He was a very enjoyable speaker. After listening to him read a chapter and answer questions from the audience, I stood in line to have my copy signed. I was wracking my mind for something conversational to say to him when I got to the head of the line. I settled for, "Please sign it to 'Craig' ". When I got home I noticed the dedication - "For Gene and Rosemary Wolfe". Doh.
