The Urth list — 1 messages, 1 voices, 26 Feb 1999

Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

As far as "spoilers" go, in the archives I believe it is stated that all readers of this list are presumed to be familiar with the corpus of Wolfe's work. Is that not so?

Certainly, but in this case I prefer to exercise my right not to spoil a fine story.

Possessed by whom or what? Spoil it for me, by private e-mail if you wish.

One private e-mail on its way!
