Wombat,

Context: notes in a letter.

Source: a letter received by me in February.

Names: a letter written by Gene Wolfe.

Maybe I'm telling stories out of school, I don't know!

(And hey, Wombat, I just bought [don't ask how much] a copy of WEG's "Tales of Arabian Nights." What a beautiful board! What an enchanting game design! I hope to actually play it for the first time sometime during the week. I also got "Oregon Trail" and "Kung Fu 2100," so I guess I've been on a binge.)

P.S. I loved the "Complete Gene Wolfe--a collection of Wolfean artifacts published throughout the years [in NYRSF]" list/advertisement in the latest issue. MAYBE YOU SHOULD REPRINT IT HERE.

Holy Cow, the whole set (30 issues) would cost \$105 for non-subscribers; only \$60 for subscribers.

And yet, as I look it all over, I wonder that we haven't done more! Makes me want to put down everything and write a Wolfe essay . . . inspirational, that's what it is.
