Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

John Bishop — 11 Aug 1997, 10:44

Prometheus is the other classic "wound in side" reference; he can be seen as a prefiguration of Christ, in that he sacrifices himself for the benefit of mankind.

Prometheus is non-human (he is a Titan), and the benefit is physical and ambiguous, rather than spiritual and unmixed, so there are differences. Not having read the story at issue, I can't guess which makes more sense.

-John
