Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

On this second anniversary I thank you sincerely for creating and maintaining this place (and its twin "whorl") where we meet and discuss matters Wolfean and obscure.

None of it would be happening without you.

<everybody sing two rounds of "For He's a Jolly Good Fellow" as you read this--right now!>

(Two =thousand= pages! Nevermind the FAQs, somebody should assemble a rudimentary index for the Urth list itself!)
