Hey, Agilus and potto! Not bad--I like bad-guy names. And Jonathan, of course, not such a bad guy.

Potto, that's a great premise, but it's risky to predict Wolfe. Of course Anne Rice has tried to make vampires attractive....somehow I don't think Wolfe will do it quite the same way! (that is a *joke*).

Although Sev is tall, it is hard for me to accept that Ouen could impregnate an exultant.
