Robert Borski,

Right, you and I both know that there is only one boatman, but we must make (or learn to make) allowances for other readers and acknowledge that the text . . . oh never mind!

alga,

Although Sev is tall, it is hard for me to accept that Ouen
could impregnate an exultant.

So you are saying that er, exultant congress is always in a vertical mode? <g> Ah-ha! At last, the mysteries surrounding this caste are, um, revealed!

No, wait a sec--that was just a straight-line--Doh!

Everybody,

No Wolfe content, but I certainly hope everybody (in the US) has been watching "Futurama" (new sf animated comedy show from makers of "The Simpsons"). If not, you've missed three episodes so far.
