Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

My, that is a peculiar cover! Hard to believe it was done to order for this book---it's like something they found in a cupboard and decided to slap on just to save money.
