OK, it's been a coupla months now; excitement over the completion of the Long Sun series has died down; we've all had a chance to settle in. So, the big question: is it worthwhile keeping the Whorl and Urth lists separate, or is it time to bring 'em together?

And what would the unified list be called? Orth? Whurl? Whulfe?

Send your opinions directly to me (ranjit at best.com).

(p.s. any takers for a Dan Simmons/Hyperion list?)

Hmmmm...a new name for Urth/Whorl. How 'bout "Maps & Mirrors"? Probably too long.

Count me in for the Simmons/Hyperion list...and least once I read The Rise of Endymion (It's out, go grab it!)

Jason.
