From: "Robert Borski" <rborski at coredcs.com>

After a very lean year wherein only one new piece of GW's short fiction was published ("The Night Chough" in THE CROW, which takes place on the post-EXODUS Whorl,)

What's the deal with that anyway? I happened upon that at the bookstore recently and I didn't read it at the time. I can't see buying it, but is it worth hunkering down in the bookstore to read quickly?
