

Ultan's library - mini update

The Urth list — 1 messages, 1 voices, 04 May 1999

Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Just to let you know that the unpublished short fiction web page has had a rushed update today. It now features titles for short fiction prior to 1990, and Robert's list of this year's publications.

If you spot any mistakes, please let me know.

It can be found at <http://members.tripod.co.uk/laidlow/wolfshort.htm>
