Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Ranjit,

Allow me to join everyone else in thanking you for providing a forum for we loup-garous. I can only hope that the heat and light generated here gives you as much pleasure, food for thought and vexation that it does me. Your generosity is deeply appreciated.
