From: "Roy C. Lackey" <rclackey at stic.net>

[N1] "...twined lupine, purple loosestrife, and white meadow rue." are the wildflowers that deck the bowers of Seve and his fellow gods. Lupine (very Wolfean) means "voraciousness; inspiration; dejection". Loosestrife (*lysimachia vulgaris*) means "pretension". *Lysimachia* is Greek for "ending ...meaning for rue of "disdain".

I'm really impressed by this flowery analysis too. Just for this last list, maybe the English meanings/puns are also relevant, "loosing strife" as well as "ending strife", and "rue".
