Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Jonathan Laidlow — 17 Aug 1999, 11:50

'The Iron Giant' is of course based on former UK poet laureate Ted Hughes' superb children's book 'The Iron Man'. No idea why they changed the title, except maybe because of that dumb Marvel superhero. Eejits.

Apparently the book is also known as "The Iron Giant" in the Us as well. (Another useless fact brought to you by a librarian!)
