Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

After a long absence, a notice and a query:

If anyone would like to get a very modest sneak preview of THE BOOK OF THE SHORT SUN, amazon.com's entry for ON BLUE'S WATERS now carries a brief Kirkus review of that work.

Which raises a further matter: what is our plan with the Urth and Whorl lists? Will Whorl carry all detailed discussion of SHORT SUN? //----- Nicholas Gevers potto at webmail.co.za
