

Lexicon Urthus

The Urth list — 1 messages, 1 voices, 15 Sep 1999

<https://urth.darkrealm.vip/thread/urth/1777>

Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Steve Taylor — 15 Sep 1999, 06:16

The time has finally come for me to join the community of civilised readers and buy a copy of Lexicon Urthus - or at least persuade my girlfriend to buy me one for my birthday. Amazon has it listed as 'three week back order', which is Amazon speak for 'damned if we know how to get a copy, but we'll gladly take your credit card number'.

Is there any other (mail order from Australia) source for the book? I believe the author is on this mailing list. Perhaps he has a stack of unsold copies in his basement?

Steve
