Hi Tony and all;

Sorry for the whorlish post, but thought you would like to know that LITANY OF THE LONG SUN, Orb's release of the first half of The Book of the Long Sun, is scheduled for publication in April 2000, according to the Tor/Forge catalog. Also, STRANGE TRAVELERS, a new Wolfe collection, is coming out in January.

Hi all, just a lurker here--- have a quick question for you all. Anyone know about the details of the Long Sun re-release date? I picked up the first one before going overseas, and since then Nightside has become impossible to find. Wondering if Orb will do a nice reissue, like Book of the New Sun. Yeah yeah, I know this is the Urth list, but.... sorry! Thanks for your time if you know....
