Besides the relevant answer mantis gave, it's obvious that Christianity is present in a metaphysical sense. The coincidences involved in the miracles and "plot-lines" favored by the Increate are astounding unless we assume that the Increate is the New Testament's God as well. At the very least, the Increate has read the New Testament and is paying homage.

Also, since Long Sun and New Sun are definitely the same world, we can use the even clearer evidence for a historical Christianity found there.

"And ye shall know the truth, and the truth shall make you free." John 8:32
