Uh yeah, and one might even say, that groovy as Mooorcock made him, he (it, whatever) was pretty rockin in classical J-C material, tho it surely needs not be said-ijust figure Wolfe piles on those cultural refs wheneverhe can, particularly if they overlap oldie, pop, and po-mo. And wasn't Erebus a child of Ge, mythologically speaking-please correct me, cuz at 3AM I don't have references at hand...but as to the Scylla's minions thing, weel, now i think maybe OBW muddies those waters a bit, maybe.Those of us w/o inside poop or the stunning erudition so liberally bestowed in this group, should perhaps be handling this kind of thing. Oh, and yes, there_is_ some pertinent stuff re Fomalhaut's mythos, and I'll _try_ to hunt it up, but i bet someone beats me out. Kissies, all...Shannon
