Sure, it is fine with me if the list of mysteries in LEXICON URTHUS is used by itself or with another list as the seed for a FAQ or a combined list of mysteries.

Around here we have often spoken longingly with regards to a FAQ of one kind or another, as a simple search will show (e.g., please please include the details about the graphic novel adaptation series). But as vizcacha says, who will bell the cat? We've never been able to find someone ready, willing, able to do the work.
