Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Alice Turner — 03 Feb 2000, 09:43

For a James Tiptree story that may have helped inspire "The Ziggurat", read "The Women Men Don't See", in HER SMOKE ROSE UP FOREVER (1989), one of the greatest SF collections ever assembled.

When I referred to Tiptree and Russ, I was thinking of this story, but even more centrally of Tiptree's "Houston, Houston, Do You Read?" and Russ's "When It Changed."
