I dislike nearly all his "modern" material," though I'll make a provisory exception for "The Ziggurat")

Now alga, granted you don't like PEACE, nor FREE LIVE FREE, nor THERE ARE DOORS, nor PANDORA, nor CASTLEVIEW. But for the purposes of our calibrating your tastes, where does such a modern tale as "Forlesen" fall? Do you dislike it as much? Or is it below the radar (i.e., completely forgotten)?

And how about "The Island of Doctor Death and Other Stories"? "Beech Hill"? I mean, I can guess that you dislike "The Woman Who Loved the Centaur Pholus," but these other ones I don't know.
