Now alga, granted you don't like PEACE, nor FREE LIVE FREE, nor THERE ARE DOORS, nor PANDORA, nor CASTLEVIEW.

Correct. And you can toss in THE DEVIL IN A FOREST.

But for the purposes of our
calibrating your tastes, where does such a modern tale as "Forlesen" fall?
Do you dislike it as much? Or is it below the radar (i.e., completely
forgotten)?

No, I quite liked that. But it is a fable, not a realistic contemporary story.

And how about "The Island of Doctor Death and Other Stories"?

I get confused about those stories with the similar names. But if that is the one with the boy with the weird head, I liked it a lot. But it's hardly realistic. If it's the Tackman one, ditto. The hospital one, no.

"Beech Hill"?

Below the radar. (But I can't remember titles.)

I mean, I can guess that you dislike "The Woman Who Loved the
Centaur Pholus."

Correct.
