alga,

The Neuri are certainly in my Herodotus, the juiciest bit in book four, just before the Amazons: "there is a story current amongst the Scythians and the Greeks in Scythia that once a year every Neuria turns into a wolf for a few days, then turns back into a man again" (around section 105 I guess). And just before that is a neat bit about the Neurians being run out of their own country by an invasion of snakes.
