Indeed, verily.

"This world, the most ancient of all, I made my capital. That was an error, because I lingered too long when disaster came. By the time I would have escaped, escape was no longer open to me--those to whom I had given control of such ships as could reach the stars had fled in them, and I was besieged on this mountain. I shall not make that mistake again. My capital will be elsewhere, and I will give this world to you, to rule as my steward" (III, ch. 26, p. 213).
