Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Sorry if someone mentioned this too. A while back there was mention of PKD references. To me a clear one is Silk's enlightenment, real or imagined. At one point Doctor Crane explains it in terms of a small stroke. Dick had exactly such arguments about his own experience.
