Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Not to break the etiquette of the lists, but does anyone want to participate in a reading group (offlist, I suggest) for the Litany book - readers and re-readers welcome! Forward to whorl-list too, if need be... contact me directly via e-mail
