Has anyone considered forming a John Crowley forum? Judging by the degree of discussion here, I would say that there is certainly interest. I enjoy hearing about other good authors in this forum, but the Crowley discussion has gone to the point of precluding discussion of Wolfe. Seeing all the interest in Crowley I have ordered the bok and am interested in reading it, but I am more interested in Gene Wolfe dicussion here than a general discussion of excellent authors.

I think if you give it another week or so it'll die down and we'll be back to Wolfe again.
