The artificial orange drink product (ala "Tang") in PEACE is made from potatoes . . . another tie to Ireland? As the factory grows, the town comes to support it, and more and more of the agriculture shifts over to potato growing (if I remember right).

=mantis=

The OJ has lots of humor. It's Tang, for one thing. For another, remember the name Julius.... And, from potatoes, it's Pringles. (And vodka?!)
