From: James Russell <J.A.Russell at exeter.ac.uk>

Several times now I've come across people mentioning that Sev is going to make an appearance in the Sort Sun books. However, I've been trawling the archives and I cant find any legitimation for this rumour.

Can anyone tell me where it comes from and what the details are?

Yes, this has been around for quite a while, though, as with most rumors, it seems to have no definite source. My impression is that Horn is somehow going to incorporate aspects of Sev, as he has of Silk. Please don't take that as more than an individual impression, however.
