Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

"One more thing..." (reminds me of Columbo)

The around the edges vs. through the middle stuff
shows up in Kipling's "Rikki-tikki-tavi".
