As to what happens to Severian at and immediately after his passage through the gate of Nessus, well, you do gradually get bits and pieces of the story, a detail here and there throughout the length of TCotC. I'm rereading the whole thing very slowly as part of the research for my paper for the symposium at the end of August. Will you be there?

Nigel, after the symposium will you post your paper? Or at least email it to interested people like me, and I bet quite a few others?
