Has anyone heard anything about the book "Taps and Sighs" to be released in august? It is a collection of stories of hauntings that lists Gene Wolfe as a contributor. Anyone know if this is a new story?

As far as I know, Wolfe's contribution to TAPS AND SIGHS (a very expensive limited edition small-press anthology) is an original story titled "The Walking Sticks". Wolfe also has a new story in Ed Kramer's anthology STRANGE ATTRACTION, published by Bereshith / Shadowlands Press; his story "A Traveler in Desert Lands" appeared in another Shadowlands anthology, John Pelan's THE LAST CONTINENT: NEW TALES OF ZOTHIQUE, in 1999.
