Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

I've transcribed the part of my interview that answers questions sent by mantis, William, Adam. Shall I email them individually, or is there enough interest from the list to merit a post?

Post please, alga.

If the list doesn't agree with me, please include me in the direct mailing.

And thank you for your efforts and your generosity.
