Exported from an unofficial mirror of a public mailing list. Copyright in each message remains with the person who wrote it. Email addresses are obscured as `user at host`, the form the original archive published. This file was rebuilt from parsed fields rather than retained headers, so it is faithful in content but not byte-exact.

Dear Alga,

Post all the Crowley you want. But make sure you add about 87 lines that read
SPOILER

naughtily,

Patrick
