Alga, I'd love to see the entire interview posted here or would be grateful for a copy emailed to me. And what possessed you to snip out

Adam's LB=Alice scheme? Are you trying to torture us?

No, it's just that he denied it. Adam can post. The reason for not doing the entire interview is (a) that I haven't finished putting it together yet (b) it focusses very largely on the AEgypt series, in particular DAEMONOMANIA, just out this month. I am pretty sure that most poeple on the list aren't that conversant with the series. But I would be glad to email it to you when I'm done.

Speaking of Crowley and DAEMONOMANIA, would it be a good diea to start reading these now? If they are like the volumes of the NEW SUN books, and suffer in isolation, I'd prefer to wait until he (finally) finishes the work--on the other hand, if the books are more like the individual parts of the SUN series (NEW, LONG and SHORT) and thematically related but not really "one big novel" I might as well jump in.

Hope the Wolfe analogy keeps this at least remotely on-topic.
